7. (Unclassified - DFM) Received a call from Ron Tammen on the staff of Senator William Proxmire (D., Wis.). Tammen had previously requested tax data on North Vietnam for some academicians with whom Senator Proxmire is cooperating. We had earlier reported to Tammen that we did not have tax data on North Vietnam, but Tammen now has a cite to a National Intelligence Survey which he believes had the requested data. I passed this information to [redacted] OCI, who is going to check into it. STAT

8. (Unclassified - DFM) Called Jim Purcell, OMB, who is handling the Justice Department's draft bill on criminal justice, which we have been asked to comment on. I informed Purcell that an identical bill, H.R. 61, drafted by the Justice Department, had already been submitted this Congress and was to be the subject of hearings later this month before a House Judiciary Subcommittee. Purcell was quite puzzled at this and said he would find out the relationship of the two bills.

9. (Unclassified - DFM) Called Jim Wentzel, Office of Legislative Affairs, Department of Justice, regarding the status of H.R. 61, upon which Justice was scheduled to testify next week. Wentzel informed me that the hearings had been postponed by the House Judiciary Subcommittee on Civil Rights and Constitutional Rights and would probably be rescheduled in June. I also told Wentzel we had received a request for comments on the Justice draft bill identical to H.R. 61 and he was quite perplexed at this development.

10. (Unclassified - LLM) Florence Fields, Washington Workshops, called to confirm the arrangements I had earlier made with her for Mr. [redacted] OTR, to speak to the Workshop group on Tuesday, 17 June at 8:00 p.m. at Mt. Vernon College. The information was passed on to [redacted]

11. (Unclassified - LLM) [redacted] LA Branch of OER, advised that the Department of Commerce was interested in using unclassified tables which are going to be included in an Agency study on Cuban trade for use in the testimony of Deputy Assistant Secretary of Commerce for East-West Trade Arthur T. Downey before the Committee on Interstate and Foreign Commerce. I thanked Naper for the alert and told him we had no problem as long as it was cleared through appropriate command channels.

1. (Unclassified - WPB) Called Hilda Schreiber [REDACTED] OMB on H. R. 3650, a bill on rehiring Federal annuitants. I mentioned that the bill would eliminate the monetary advantage which now accrues to the rehiring agency, and that this would add significantly to the Agency's costs in reemploying annuitants. She said this was the view of all Government agencies, but that the Administration is supporting the bill provided it is amended to provide that the agency deposits go into the general fund rather than the retirement fund. She added that she didn't think the bill was going to go anywhere.
2. (Confidential - LLM) Saw Charles Lombard, Senate Committee on Aeronautical and Space Sciences staff, and he will inform Senators Barry Goldwater (R., Ariz.) and Paul J. Fannin (R., Ariz.) of the [REDACTED]
3. (Unclassified - LLM) Met with David Keaney, Senate Foreign Relations Committee staff, and provided him two more country studies in the Law of the Sea series (USSR and Ghana). Keaney assured me that all the studies are being kept in the Capitol office and treated as Top Secret material, and that Senators are not permitted to take the material from the room. Keaney, who is the House Counsel for Law of the Sea matters, said the series is absolutely the finest thing out on the subject and that Senator Clifford P. Case (R., N.J.) has made special use of the material. If the need arises, Keaney prepares a summary of the studies using the same classification for the background of the Senators in meeting their responsibilities.
4. (Unclassified - LLM) Met with Representative Richard Schulze (R., Pa.) concerning the upcoming session at Headquarters with the Freshman Republicans. He lamented the abuse being heaped on the Agency and felt all of those who would be attending the session are supportive of the Agency.

9. (Unclassified - BAA) Louise O'Brien, House International Relations Committee staff, called and requested the names and titles of the men who will be doing the briefing tomorrow of the Subcommittee on Investigations. I supplied Ms. O'Brien with the information.

10. (Unclassified - BAA) Barbara Bowserman, OMB, called and said she had a package for Mr. Cary and would like one of our couriers to pick it up. Arrangements were made for the package to be picked up at 0900 hours tomorrow.

11. (Unclassified - LLM) Dropped by to see Pat Holt, Senate Foreign Relations Committee staff, to provide some personnel figures for the use only of Chairman John Sparkman (D., Ala.) on an if and when needed basis. He was tied up all afternoon on the South Vietnamese refugee aid bill.

12. (Internal Use Only - LLM) Bill Jones, INR/State, called with respect to our earlier conversation on the proposed legislation on unauthorized disclosure of intelligence sources and methods indicating that Mr. Hyland had agreed with Mr. Malmborg that the timing of the proposal was not propitious. Jones thus suggested that we concentrate on making our own suggestions to State's proposed response to OMB on this 25X1 matter directly with Malmborg.
